At GPAM 2015, the recipient was Patricia "Pat" Young who was born in Utah. She moved to San Francisco, California with her family, when she was only three months old, and has been here ever since. Pat was a California art teacher for 34 years and after her "retirement," she accepted a position with the American Red Cross and developed their Youth Program. She helped our former Junior Native Daughters, and together set-up Red Cross Safety Education in San Mateo County Schools. At 95 Pat continues to volunteer two or three days a week at the San Mateo County Historical Society. She is responsible for developing the California display that highlights the collection of California historical books for sale in their used bookstore that benefits student programs. Pat volunteers with many other organizations including the YMCA, March of Dimes, Schools for the Blind & Deaf, and a local hospital. Pat also has volunteered as a judge for many years for the Native Sons of the Golden West's 4th Grade Essay Contest. Pat has touched many lives in California and she continues to give greatly to others. She was extremely proud to receive the 2015 Roll of Honor award and the plaque is now proudly displayed in her home.

Do you know a woman like Pat who has contributed their time and talents to Native Daughters or the State of California? Put your thinking caps on. A formal letter will be coming out in a monthly mailing that will state the criteria for consideration for the Roll of Honor. It will include the deadline for submission in March, with selection in April.

Dear Sísters,

As we enter the Fall Season, we are having an "Indian Summer" in my area-cool mornings that have you reaching for a sweater, only to quickly shed it by noon. Beautiful turning of the colors of trees and slowly the leaves are falling. I hope you enjoy this special time as we witness Mother Nature at her best.

I have been traveling to wonderful Official Visits and have been met with such warmth and sisterhood. Thanks to all the subordinate parlors for their kindness and generosity.

I am asking a favor of all of you. Above and beyond your planned fundraising causes, I would ask that each parlor return to Penny Pines as a wonderful way to restore our heavily damaged forests due to the recent fires. You can find the information to aid you in contributing to this worthy project on the form on page eight or online, just go to "Penny Pines". Locate a forest near you that needs your help and for \$68.00 you can plant an acre. What a wonderful Environmental Committee project.

NDGW at Rosie the Riveter Event

SUBMITTED BY CHRISTIE SCHAUER

Rosie the Riveter is known to many of us as the lady on the famous "We Can Do It" poster by J. Howard Miller, or from the Saturday Evening Post cover by Norman Rockwell. While these are both fictional portrayals, they both represent the multitude of women who went to work during WW II to support the war effort.

The city of Richmond, California played an integral role in this. Home to the Richmond Shipyards, many of these "Rosie the Riveters" were employed building ships and other equipment used by soldiers and sailors. Rosie the Riveter National Park is now located in Richmond. To commemorate the 70th anniversary of the end of WW II, it hosted a gathering of "Rosie the Riveters" in

Two members from local parlor, Argonaut #166, El Cerrito, were in attendance at the event. Kathleen Costa and her daughter, Christie Schauer, attended, along with Christie's friend, Melanie West. The event drew 1,084 women and certification from the Guinness Book of World Records as the largest gathering of Rosie the Riveters, surpassing an event held in Michigan last year. It was fun to be part of a historymaking event!

lovely poinsettia floral napkins with a scattering of "diamonds" throughout. Two gifts were provided to everyone in attendance, a champagne flute with champagne flavored Jelly Bellies, and a handmade ribbon and "diamond" rhinestone flower corsage.

Our Worthy Grand President Bonnie Tabor of Morada Parlor No. 199, Modesto

was accompanied by five Grand Officers and several Past Grand Presidents. Many visiting Supervising District Deputy Grand Presidents, Deputy

Grand Presidents, and State Chairman were introduced.

Attaway worked tirelessly

to make sure everyone was properly served. Mary Ann also donated wine for all to enjoy.

Ponsettia Parlor member Mary Lorraine Boyd received her 50-year Service Award. The Parlor Reports and the district gift created by Tierra de Oro Parlor of a live flowering plant in a lovely ceramic pot, Bear Flag tiles and a whirly gig with "greens" were presented to the Grand President.

Thank you to all that made this day so special!

75-Year Member Celebrates **100th Birthday**

SUBMITTED BY ROBERTA KOSKI

On October 4th, Evelyn Rodes, a member of Argonaut Parlor No. 166 celebrated her 100th birthday at Las Positas Vineyards in Livermore. In charge of planning the event was her niece, Alisa Pura.

On hand to honor Evelyn was John Marchand, Mayor of Livermore, who presented a proclamation from the city containing the many achievements of our Evelyn.

Many members from Pearl Harbor Survivors were on hand to pay tribute to the widow of Pearl Harbor Survivor Ed 'Yancy' Rodes.

Evelyn's niece, Grace, spoke on behalf of the family sharing that Aunt Ev was their second mother.

In 2012, PGP Marilynn Rodrigues (then Grand President) presented Evelyn with her 75-year Native Daughter service pin.

Evelyn was a member of the Championship Drill Team Green Patrol. She also worked hard to organize the Argonaut Junior Unit No. 3. Evelyn served two terms as Parlor President and one year as State Chairman of Bowling.

She may be 100, but Evelyn continues to be a leader in her community and matriarch of her family.

Carmel Mission Restoration

SUBMITTED BY LANA COONEY

It was a beautiful day along the Central Coast as Sisters from Distict 21 NDGW, traveled to Carmel Mission to present a check for \$2,000 to the Carmel Mission Foundation.

Mr. Grabrian, President and CEO of the Carmel Mission Foundation graciously greeted us, and accepted our donation. He explained that Phase I of the Mission's restoration project which included the seismic retrofit and restoration of the Mission's Basilica has been completed. Phase II will address

the eleven remaining historic structures within the Mission's twenty-two acre campus.

Mr. Grabrian and his Foundation are very proud that they will be presented with the 2015 Governor's Historic Preservation Award. The Carmel Mission Basilica project was recognized as an exceptional example of preserving California's cultural heritage.

The Native Daughters of the Golden West, established in 1886, is one of the oldest fraternal organizations in California, and continues to be actively involved with the preservation of the Missions. Each year District 21 sponsors a benefit lunch to assist a Mission in our area. We were happy to have chosen Mission Carmel as our recipient this year.

Mr. Grabrian and the Carmel Mission Foundation are to be commended for their outstanding work.

Congratulations and Thank You to Army Specialist Perry Bishop

Please congratulate Specialist Perry Bishop of the 2-6 Cavalry Squadron. Some of you may recognize him as Lanetta Bishop's grandson now serving in the military. Lanetta is from San Juan Bautista Parlor No. 179.

In the Army, Specialist Perry Bishop works on aircraft support and maintenance. Perry clearly believes in hard work and serving his country. He was recently recognized as "Desperado of the Month" and his squadron leader describes him as "one of our hardest working soldiers, one of the best we've got, always striving to be better".

Lanetta also has a son Paul who graduated at the top of his class at the Air Force Academy in Colorado and went on to a very successful "top secret" military career traveling throughout the world. He has never been able to talk about this with his wife or parents,

but when permissible, has made it a point to attend some of our Native Daughter functions as well as the Veterans Day programs here in Hollister. A terrific gentleman, he retired at the age of 52!

Congratulations to Perry and Paul. We appreciate your service to our country. Lanetta you must be very proud!

Mary Katherine Johnson, born April 15, 1919, passed away on August 8, 2015, at the age of 96. She was our oldest member and will be sorely missed. She was the parlor Treasurer for many years, and took great pride in a job well done. She was a member of the Native Daughters of the Golden West for 45 years, joining on February 16, 1970, and remaining active until her death in August.

Founding of the Order

By Dr. Leo J. Friis, Revised by GT Nickie Acevedo

ORIGINALLY PRINTED IN THE CALIFORNIA HERALD, SEPTEMBER 1969

In the July 2015 California Star, we featured an article about the life of Lilly O. Reichling. Here is another historical article about how she founded our Order.

On September 25, the Native Daughters of the Golden West celebrated Founders Day, recalling with pride the founding of the Order in 1886, by Miss Lilly O. Reichling in the historic mining city of Jackson, Amador County, California.

Miss Reichling had personal knowledge of the newly organized Native Sons of the Golden West and felt her sisters in the State should also form such an organization. Discouraged by the Native Sons, she did nothing about it until after a visit to the Admission Day celebration in Sacramento, September 9, 1886. Upon returning home, she mailed twenty-four invitations to friends in Jackson, inviting them to Pioneer Hall on September 11. The notes were ambiguous, and perhaps it was more curiosity than anything else that brought twenty of those invited to the first meeting.

Miss Reichling's enthusiasm prevailed and temporary officers were elected and the organization meeting set for September 25th. Chosen for the first Parlor of the Order was the distinctive name

Lilly O. Reichling, Founder, Native Daughters of the Golden West

of Ursula — meaning the Bear – suggestive of courage and strength. This Parlor today is Parlor No. 1 — still active in the town of its birth — Jackson.

There were seventeen parlors organized within the first four months, and the first Grand Parlor convened in San Francisco in 1887. Tina L. Kane, first president of the Mother Parlor, was elected the Grand President. Later the special title of Founder of the Order was conferred on Lilly O. Reichling, later Lilly O. Reichling Dyer.

The founding principles, which are still proudly upheld by the Order, were Love of Home, Devotion of the Flag of Our Country, Veneration of the Pioneers of California, and an Abiding Faith in the Existence of God. The flag of the United States and the Bear Flag are honored by each Parlor.

During the years, the Order of the Native Daughters of the Golden West grew and prospered. It also sponsored the Junior Native Daughters of the Golden West.

The work of the Order is well known throughout the State. The Parlors have been active in the restoration and preservation of the Franciscan Missions of the State. The marking of historic buildings, preservation of historic sites and relics, the history of the pioneers and heritage of California are dear to the Parlors and they work constantly in this field. The Childrens Foundation strives to help children in need throughout the state. The Order maintains many scholarships for the youth of California and has an active veterans welfare program. There are projects to interest women of California, regardless of age, and it is this wide range program that answers the need of women "to do something for someone" and makes the Order a vital force in each community.

SUBMITTED BY FRANCINE MACKEY

So much has happened over the last couple of months. Here is a quick recap: July and August saw us getting ready for Santa Barbara's Annual Fiesta Celebration. We started by helping with the Fiesta Flower Girls Tea by providing the cookies and punch for the event, as well as passing the goodies out to the girls.

Each year Tierra de Oro Parlor enters a float into the Desfiles Historico (Historical Parade). This year we were honored to have on our float, Grand President Bonnie Tabor, Grand

Trustee Nickie Acevedo, Past Grand Trustee Dorothy Rogers, Tierra de Oro Parlor President Anna Ortiz and several parlor members, President of NSGW Parlor No. 116 Paul Larsen and his wife Kim, and ND member Barbara Custer. We also attended the Fiesta Pequena at Old Mission Santa Barbara, it was alovely evening of music, song and dance.

August also saw the Parlor install its Officers for the ensuing year. We had an informal get together at Rosalie Andrade's home where we were installed. Present were Grand

Inside Sentinel Rae Rosas, incoming Deputy District Grand President Mary Louise Days of Reina Del Mar Parlor No. 126, President Sue Parent of Reina del Mar No. 126 and several of her parlor members. After the installation we gathered outside to sit and talk. It was great to be at Rosalie's home and to have her join us, as a Charter Member of our Parlor she is part of our history.

In September, District 25 held its Official Visit and helped Poinsettia Parlor No. 318 celebrate their Diamond Anniversary. What a great time we all had and what a wonderful turn out of Grand Officers, Past Grand Presidents and District 25 Parlor Members. Grand Officers in attendance were GP Bonnie Tabor, Jr PGP Suzi Riley, GVP Sherry Farley, GT Marti Noyes, GIS Rae Rosas and GOS Janet Somavia. Past Grand Presidents in attendance were Silver Anniversary Lady Sharon Johnston, PGP Marie Otto, PGP Marilyn Bustillos, PGP Adeline Coronado, and Host PGP Estella Moreno. Terri Trammel Majeski of Poinsettia

did an outstanding job in putting this celebration together. Everyone went away having had a great time. Grand President Bonnie gave each Parlor an empty basket and asked that we begin filling it with fun and community activities. We hope to put that basket out of commission by the time Grand Parlor comes around next year.

October brings with it the start of the fall season and the change in weather we are all hoping for. Cooler temperatures and crisp evenings would

be a welcome change from the heat. We are getting ready to hold our 2nd Rummage Sale of the year. These sales have netted us quite a bit of money thanks to the generosity of members who help by donating clothing, books, jewelry, household items, etc. The money earned from these sales goes back into the Parlor to help with our many projects.

Thank you to all of our members who over the course of the year have helped and supported our various projects.

The recipients are Taylor Miller, who will be attending the University of California at Davis with the goal of entering the College of Biological Sciences; Cynthia Weese-Henson, a member of Joaquin Parlor, presently attending Consumnes River College, pursuing a degree in molecular and cellular biology; and Cinder M. 2015 Annual Apron Luncheon

The Third Annual Apron Luncheon took place at Royce Farms BBQ on Saturday, September 14, 2015. It was a wonderful time of fellowship and memories, honoring sisters who are no longer with us. Guests wore their favorite apron and shared memories of what made it so special. It may have been made by a best friend or family member, worn by a beloved relative, or just simply selected because the pockets were big enough to hold all the items one collects as one cleans. Linda Spaulding donated an apron for the opportunity drawing, which was won by Brandy Torres-Fletcher. Kudos to Ardylee McCurdy and Ida Evans for the success of this annual affair.

Mary Clay: 100 years in California

SUBMITTED BY KAREN STILES, MORADA PARLOR NO. 199

This September 19, 2015, Mary E. Clay, celebrated her 100th birthday. That's 100 years in California, and she's proud of it. Mary is the last surviving member of the Stanislaus County Band Mothers. She worked for years on the Election Board, was presented a life membership in the Parents and Teachers Association, and a life membership with the Native Daughters of the Golden West, of which she has been a member since 1933, and an ardent fan of the San Francisco Giants.

At age 18, in 1933, being intrigued by the drill team, Mary joined the local Native Daughters of the Golden West, Morada Parlor No. 199. In 2008, she was the local Parlor's first member to receive a 75-year pin. For nearly 50 of her years with Morada Parlor No. 199, Mary was an officer. She was President in 1936, Recording Secretary for 36 years, Financial Secretary for five years and spent seven years in other positions. She was a State Chairman of the Pioneer Roster, held Deputy positions, was highly involved on the Memorial Committee, the Past Presidents, and the Sewing Club. She also was editor of the Morada Parlor's newsletter for 25 years, and received a lifetime membership.

Mary's ancestors stand out in California history. She has a rich heritage as one of the many Los

Californianos. They were settlers, soldiers, and Native Americans. They blazed trails, making a way for others to come. They were survivors, who pushed to the limit. You'll find Point Lopez on the California coast, just below Big Sur. That is where Mary's grandfather, Manuel Lopez, built the family home in the 1800's. On the portico, at California Mission San Antonio de Padua, are the names of California's first marriage, Mary's third great grandparents. Mary's grandmother, as a child, was present with her parents for the raising of the USA flag when

El Tejon Parlor No. 239 Celebrates California Admission Day

By Darleen Carpenter

On Thursday, September 10, 2015, our Parlor held a luncheon and program in honor of California's 165th birthday in the Tea Room of the Bakersfield Woman's Club. Our theme this year focused on the California Bear Flag and State Capitals of California. Each attendee received a bar of homemade poppy soap wrapped in clear paper with poppies. Our table decorations, of course, were our beautiful poppies. Our President, Ethel White opened the celebration with the flag salute, which was led by our Marshal, Sandee and 4 year old Abigail Kundinger, the granddaughter of an attendee, and the invocation led by our member, Lynn Montgomery, who attended with her husband, Keith.

Pres. Ethel White and City Councilwoman Jacquie Sullivan with Proclamation from City of Bakersfield.

PGP, Joan Hall, presented a very informative narrative of the various locations of the many State Capitals in our history leading up to the permanent location

in Sacramento. Many attendees commented that they had no idea of the various State Capitals prior to Sacramento. Our presentations were very interactive with much audience participation. Our Chairman, Brigette Bonnet, made a presentation on the history of the Bear Flag and its importance in our state history.

After a delicious homemade lasagna luncheon, we were presented with proclamations and resolutions from the offices of Bakersfield City Mayor, Harvey Hall, presented by our member and City Councilwoman, Jacquie Sullivan, Supervisor, Zack Scrivner, presented by Bryan Williams from his office, who also joined our Parlor that day along with his wife, and State Assemblywoman, Shannon Grove, and State Senator, Jean Fuller and a representative from our congressman, Kevin McCarthy. The program concluded with the serving of our beautiful Bear flag cake which we named Monarch birthday cake.

Sandee Senior with Javier Reyes representing California Assemblywoman Shannon Grove.

Fort Bragg No. 210 Has Been Busy!

SUBMITTED BY SUSAN COLLINS, PARLOR PRESIDENT

Fort Bragg Parlor No. 210 has been busy as they approach their 100th anniversary. Over the Labor Day weekend they participated in the Paul Bunyan Day Celebration. This is a city-wide event honoring the logging heritage of the region. Native Daughters have taken part in this annual celebration almost since its inception in 1949. The Grand Marshall this year was Denise Sternberg a 50+ year member of our Parlor. This year they led a walk with Paul on the new, and as yet unopened, portion of the Coastal Trail. Over one hundred people joined them to see how the old mill site is being turned into an area of recreation. Also, ladies had an entry in the Parade including a vintage Jaguar for which they won 2nd place. The Parlor

also was able to place a window display downtown wishing California Happy Birthday.

Official Visit to Naomi Parlor No. 36

SUBMITTED BY KAREN GALAN, PARLOR PRESIDENT

Grand President Bonnie Tabor hit a "double header" when she made her official visit to Naomi Parlor No. 36 in Downieville. She was not only able to welcome new member, Joan Nolan, initiated at the meeting, but also was asked to present 25-year pins to Parlor President Karen Galan and Anna Costa Brett, Karen's mother. Anna originally joined Naomi Parlor when she was 17, so had she not taken a leave of absence, she would be celebrating her 80th year as a Native Daughter! The Parlor meeting followed a luncheon provided by the sisters of Naomi Parlor.

Anne and Karen, presented with 25-year pins, are pictured here to the left of Grand President Bonnie Tabor.

Home Chatter....

BY ANGELA BROWN, NDGW HOME CHAIR

The Home is ready for you to come and enjoy a peaceful and wonderful stay. We've had a change in parking. Below you will see a parking guide from the Home. Since the parking restrictions have begun, we have had parking available. Many of our guests have come up by train, or BART. They have made it. If you have a handicap placard you can park anywhere for 72 hours. The employees at the Home are always there to help you.

The floor in the kitchen is done and it is beautiful. Sometimes I turn around and look at it and feel like it has always been there. We have a few touch-ups to do.

The elevator has been fixed and it is operating successfully. We put in a new sheave and are having to regulate the cables. But it is working. Thank you everyone for your patience.

We are awaiting our next order of bricks to come in. We are ready to place them on the wall. If you want to buy a brick, go to the *ndgw.org* website and down load a purchase form.

We are getting ready for the Christmas Tree Lighting. We are going to add and change things around. Don't forget if you need to do a parlor ornament, get it in. We want it on our Parlor tree.

We are looking for two employees. If you would like to work in San Francisco and watch how the Native Daughters work, then the Home might be a place for you. If you are interested, please check the ndgw.org website for an application, or come down and stay and talk to our employees. They will show you around.

Also, thinking of Christmas gifts or Parlor gifts, remember the Home. We have gift certificates to stay at the Home or our new beautiful aprons. Contact the Home if you are interested.

To the Parlors in our beautiful State that have been hit with the wild fires, we are here for you. One thing our parlor, Golden Era, did was contact Ruby and Ursula to see if any of their members needed any help. You can do the same.
