Dear Sister,

Welcome to Native Daughters of the Golden West!

The Order was founded in Jackson, California on September 25, 1886, making us one of the oldest fraternal organizations in California. We are a non-profit organization that proudly helps in our communities through our many programs.

I hope you take part in your Parlor's activities. There is no better way than by participating to get to know your Parlor Sisters. I sincerely hope your association with Native Daughters will be advantageous and rewarding to both you and your Parlor.

Thank you for joining our Order,
