

## eNews - November 2025

**Preserving the History of California!**

On behalf of the NDGW Board of Directors we wish you a safe and blessed Thanksgiving with your family and friends. For our Members who are celebrating this season without their beloved family, please never forget, you are loved and cherished, by all of your NDGW Sisters throughout our gorgeous state of California.

In memory of my loving grandmother, Ruth Altamirano, remember to leave room for dessert ❤️

Happy Thanksgiving,  
GP Heidi Dillon

## Veterans Day

Thank you to all the Parlors that dedicated their time and efforts to honor and celebrate our Veterans with meaningful programs and activities. We were particularly inspired by Jurupa Parlor No. 296, Riverside who generously filled and delivered goodie bags for their local VA Hospital.

On November 11th every year, Ruby Parlor No. 46 and Native Sons Chispa Parlor No. 139 hold a joint pasta dinner for the community and veterans. All veterans eat for free. The Native Sons handle the cooking, while the Daughters manage the serving, decorations, and running a raffle during the event. All proceeds generated from this dinner will be donated to a local veterans organization. Last year, they were proud to support **Quilts of Honor**. This year's recipient will be selected by vote at their December meeting.

We are eager to learn more about how your Parlor has been honoring our Veterans and conducting Community Food Drives. Share your charitable activities with other Parlors by submitting an article to the Electronic Communication Committee, via email: [webmistress@ndgw.org](mailto:webmistress@ndgw.org) Follow-up and give feedback to the appropriate State Chair and be sure to check the appropriate box on the Parlor Activity Form.

Pumpkin pie is the most popular Thanksgiving pie nationwide, often followed by pecan pie, according to multiple surveys. However, preferences can vary regionally, with pecan pie being a strong favorite in the South, and apple pie sometimes surpassing both in year-round sales or specific regional polls. We're curious to know your preference.
